

# **Adam Systems Technology (AST)**

## **is recruiting 3 theoretical physicists:**

1) A physicist with knowledge in particle accelerators  
(starting January 2018).

2) M.Sc. or Ph.D. physicist with knowledge in quantum theory and  
preferable with experience in CQED (Cavity Quantum Electro-  
Dynamics)  
(starting December 2017).

3) M.Sc. or Ph.D. physicist with knowledge in the theories of Special and  
General Relativity as well as Quantum Theory  
(starting December 2017).

Please send your CV to: [liviu.singher@gmail.com](mailto:liviu.singher@gmail.com) for AST application!
